

REAR GARAGE COLLECTION

ATTACHED REAR GARAGE

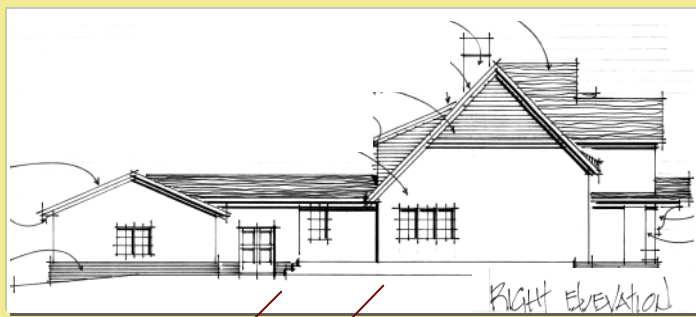

Rear lane access combined with large lots allow the flexibility to build triple car or carriage style garages with additional living in loft space.

46 Foot Wide Lot

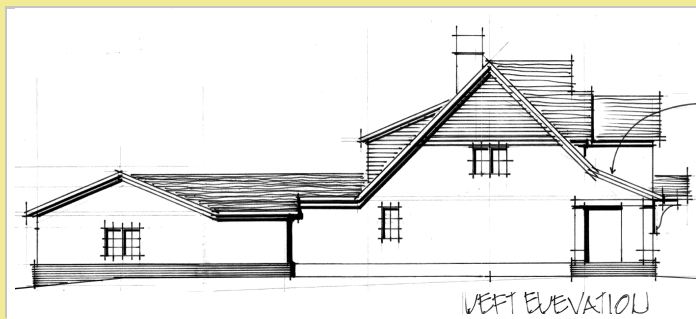

REAR ELEVATION

RIGHT ELEVATION

Extra yard or parking for an RV

Private Courtyard

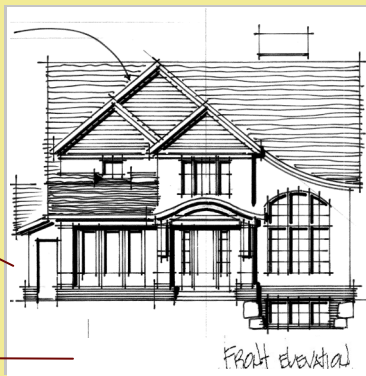

LEFT ELEVATION

Traditional layouts allow for larger rooms full of natural light.

No front garage allows for more windows and curb appeal.

Front porch homes with turn of the century architecture and charm face a central park.

FRONT ELEVATION

Plan provided by Artigiano Developments
